

THE PROFESSIONAL DEVELOPMENT GROUP

Kristy Tan Neckowicz is a Senior Consultant, Coach, and a Certified Professional “Stages of Growth” Strategist. With this certification, Kristy performs “X-Rays” to determine an organization’s stage of growth, helps CEOs identify the hidden agents and challenges that are impacting growth potential, and develops a plan to focus on the right things at the right time. Prior to joining The Professional Development Group LLC, Kristy Tan Neckowicz was Vice President of Product Strategy at Oracle Corporation and Primavera Systems, where she developed strategy and executed transformation projects leveraging technology, process, and human capital.

Kristy has extensive expertise in business strategy and planning, project, program and portfolio management, PMO strategies and operation, change management, software product rationalization, and customer service transformation. She is a valued consultant and coach because of her leadership experience in several organizations:

- Oracle Corporation: VP, New Market Development & Product Strategy
- Primavera Systems, Inc.: VP, Product Strategy & Customer Support, Director of Marketing, Product Manager
- Villanova University and Lehigh University: Adjunct Faculty of Project Management Courses
- Project Management Institute (PMI):
